

Massachusetts Department of Elementary and Secondary Education
Learn and Serve America
Community Service-Learning Grantee Mid-Year Report

Reporting Period: September 1, 2008-December 30, 2008

Please complete and submit via the drop box on MassONE no later than January 9, 2009.

Your comments will be compiled and used to develop training and technical assistance for the rest of the year. In addition, your comments may be shared with Learn and Serve America, as well as other districts throughout the state interested in developing service-learning programs.

District Name: _____ **Program Coordinator/Contact:** _____ **Fund Code:** _____

1. Have you, or someone else responsible for the grant, visited the Service-Learning Center on MassONE to access or share grant forms and/or resources? Yes, to access Yes, to share No (Double click on the box to “check” it)
2. Have you identified the classrooms (participant and comparison) that will take the student surveys for the program evaluation? Yes No Please be sure to fill out and return the Evaluation Checklist
3. Have you connected with any other districts to share ideas and resources about implementing and/or sustaining service-learning? Yes No If yes, please list:
4. Do you include the Learn and Serve logo on documents associated with this grant? (*Please note that this is a grant requirement. Contact Kristen for information about how to access the logo.*) yes no
5. **Cross/Peer Age Tutoring Project:** Did any of your teachers implement a cross age/peer tutoring project?
 Yes No If yes, please be sure to ask them to administer the three-question post-tutoring survey to the tutees. The survey is available on MassONE or by emailing Kristen.
6. **Martin Luther King, Jr. Day of Service:** Briefly describe any activities planned for the Martin Luther King, Jr. Day of Service.
7. **Successes:** Briefly describe your biggest success to date with respect to implementing/sustaining CSL and/or your community partnership.
8. **Challenges:** Briefly describe any challenges you have had to date in implementing/sustaining CSL and/or your community partnership.
9. **Training/Technical Assistance Needs:** What training and/or technical assistance would be helpful to you in building upon your successes and/or overcoming your challenges.
10. **List of Teachers and Community Partners:** Please use the provided spreadsheet to submit a list of the teachers implementing service-learning projects this semester, along with their respective community partners. Please include the teacher’s name, school and email address. Also, include the community partner’s organization name, contact name and email address. Each of these contacts will receive an email from ESE with a link to an online survey at the end of the year asking about their experience with service-learning.
11. **Service-Learning Projects:** Please list below the following information for each service-learning project funded or partially funded by this grant (Keep a running list-no repeats in July report):
 - a. *Briefly describe the project in 1-3 sentences.*
 - b. *What school or community need/problem was met?*
 - c. *What academic subject area(s) was applied through this project?*
 - d. *Which Community Partner(s) /Organization(s) were involved in the Project? Other experts?*
 - e. *How many students were involved in the project? Approximately how many people benefited from the project?*

Uploaded completed report to the “Programmatic Reports” dropbox **no later than January 9, 2009.**

Contact Kristen McKinnon at kmckinnon@doe.mass.edu with questions.

12. **Sustaining Service-Learning**--Please use the chart below to tell us your plans for sustaining service-learning in your district/community. Sustainability Action Planning template can be found in the “Reporting Documents” folder at the Service-Learning Center on MassONE. In addition, a Lessons Learned template for your use at the end of the year is available.

Strategies to Sustain Service-Learning Place an X in the column that applies to your community	YES	NO	Working on
Sustainability Action Planning			
Developed a sustainability action plan with CSL Advisory Committee			
Updated existing sustainability action plan in the last year.			
Please estimate what percentage of your sustainability action plan has been implemented to date.	0-40%	41-84%	>85%
