

Drive to Employment Service Learning Authorization

Please read the following and indicate your agreement on the other side of this form:

1. I am the legal owner of the vehicle described on the front of this authorization form, or I am authorized by the owner to have it driven, inspected, and serviced.
2. I understand that Northern Virginia Community College (NOVA) is an educational institution and that “Drive to Employment” provides service learning activities. Any benefit to me is secondary to the need for student learning.
3. I agree to hold the Commonwealth of Virginia, NOVA, “Drive to Employment,” related personnel, partners, and students, harmless for related services.
4. I understand that the “Drive to Employment” service learning program operates on a college class schedule and vehicle service may take multiple visits.
5. I authorize NOVA student technicians to inspect, drive, and work on my vehicle as necessary, understanding they are not experienced automobile technicians.
6. I agree to notify “Drive to Employment” personnel as soon as possible of any concern arising from work performed on my vehicle. I acknowledge that NOVA is not in business to perform automobile repairs and cannot guarantee any service.
7. I certify that the vehicle described on this authorization form is legally registered and insured as required by law and can be lawfully driven on public roads by authorized program personnel for testing and repair verification purposes.
8. I understand that NOVA is not responsible for theft or loss related to my vehicle or its contents while on campus. I will secure or remove valuables as necessary.
