

# Health Corps – Community College Program Principal Member/Board Member Application

---

Thank you for expressing interest in becoming a principal member of the UCSD Health Corps Community College Organization. As a principal member of this organization, you will be expected to perform executive member duties including liaising between UCSD and community colleges, providing guidance to community college chapters, creating and implementing program projects, as well as assume full campus organization responsibilities at UCSD. Open Board Member Positions include Secretary and Publicity Coordinator. Please answer the following questions and I will narrow it down to those with the best responses to act as the potential principal members. Deadline to submit application is **Wednesday, Nov. 24.**

1. Why are you interested in becoming an active member of Health Corps?
2. What can you bring to the organization that sets you apart from others and makes you a better candidate?
3. Tell me anything else that you find important for me to know.
