1. What is the most appealing part of this project for you? Please write several sentences. Use back if necessary.

2. What would you hope to gain from involvement in this project? Use back if necessary.

3. What skills or interests do you have to contribute to this project? Why should you be chosen? Use back if necessary.

4. Answer YES or NO to the following questions:

- | | | |
|---|-----|----|
| 1. Are you available to spend April 23-27 (5 days) at Olympic Park Institute on Lake Crescent, west of Port Angeles? This is NOT a WASL test week :) | YES | NO |
| 2. Are you willing and able to contribute \$100 to the cost of the project this year, through fund raising and family contributions? This can involve family providing part of the funding and you personally raising part of the funding. We feel is it important that each student be involved in earning the majority of funds. | YES | NO |
| 3. Are you willing to help the Odyssey 3 rd & 4 th graders become prepared for their visit to Olympic Park Institute in May? (Examples: Write story books on Native American culture, teach positive environmental principles, help them understand the life cycle of salmon, etc.) The teaching would be done during EHHS class periods. | YES | NO |
| 4. Are you willing to be involved in scientific research and projects on the Elwha River Ecosystem that will be posted on-line and shared with other schools around the state? | YES | NO |
| 5. Are you willing to sign professional behavior standards that support seriousness of purpose as a researcher for this project, as well as a positive representative of EHHS? | YES | NO |
| 6. To receive .5 credit (one semester of science) are you willing to attend a zero hour class every Friday throughout the school year? This is an acceptable overload at EHHS that will include limited homework assignments and participation in money-raising events. | YES | NO |
